Safety Data Sheet (SDS)

Revision Number: <b>3.0</b>	Last updated 31 July 2019
1. Product and Company Identification	<u>on</u>
Product Name:	LL17-29
	H - FKR IVQ RIK DFL R - OH
Manufacturer/Supplier:	AnaSpec, Inc.
	www.anaspec.com
	34801 Campus Drive
	Fremont, CA 94555
	Tel: 510-791-9560
	Fax: 510-791-9572
	Email: service@anaspec.com
	Kaneka Eurogentec SA,
	Rue du Bois Saint Jean 5 4102 Seraing Belgium
	Tel. +32-4-3727400
	Fax. +32-4-3727500
	E-mail info@eurogentec.com
	Kaneka Eurogentec Helpdesk
	Tel. +32-4-3727665
Catalog Number	AS-65454-5
Relevant identified uses of the	For laboratory use only.
substance/preparation and uses advised	
against	
Emergency information	Please contact the regional Eurogentec representation in your
	country or Kaneka Eurogentec S.A. directly (from 8 am to 6
	pm)
2. Hazards Identification	
	ecommend handling all chemicals with caution. Use proper dling chemicals. To our knowledge, the hazards of this material
	angerous substance according to the GHS cards: Not a dangerous substance according to the GHS
GHS Signal Words: None	

GHS Hazard Statements: None

GHS Precautionary Statements: None

Potential Health Effects for:

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give

oxygen. Good hygiene practice requires that exposure be kept to a minimum and that suitable control

measures be used in an occupational setting.

Ingestion: If swallowed, wash out mouth with water provided person is conscious. Call a physician.

Skin: In case of contact, immediately wash skin with soap and copious amount of water.

Eyes: In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes.

Chronic Exposures: No information available. We recommend limiting prolonged exposure.

Target Organs: No information available

HMIS Classification

Health hazard: 0

Chronic Health Hazard: 0

Flammability: 0
Physical hazards: 0

NFPA Rating

Health hazard: 0

Fire: 0

Reactivity Hazard: 0

3. Composition

Ingredients/Components:

Chemical Name: LL17-29

H - FKR IVQ RIK DFL R - OH

Molecular formula: NA Molecular weight: 1719.2

CAS-No NA EC-No NA

# 4. First Aid Measures

Inhalation:	If dust is inhaled, remove from contaminated area.		
innatation.			
	Encourage patient to blow nose to ensure clear passage of breathing.		
	If irritation or discomfort persists seek medical attention.		
Ingestion:	If swallowed do <b>NOT</b> induce vomiting.		
	If vomiting occurs, lean patient forward or place on left side (head-down position, if possible) to		
	maintain open airway and prevent aspiration.		
	Observe the patient carefully.		
	Give water to rinse out mouth, then provide liquid slowly and as much as casualty can comfortably		
	drink.		
	Seek medical advice.		
Skin:	If skin or hair contact occurs:		
	Flush skin and hair with running water (and soap if available).		
	Seek medical attention in event of irritation.		
Eyes:	If this product comes in contact with the eyes:		
	Wash out immediately with fresh running water.		
	Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the		
	eyelids by occasionally lifting the upper and lower lids.		
	If pain persists or recurs seek medical attention.		
	r r		

Alcohol resistant foam.  Dry chemical powder.  BCF (where regulations permit).  Carbon dioxide  Special firefighting procedures:  Alert Emergency Responders and tell them location and nature of hazard.  Wear breathing apparatus plus protective gloves.	5. Fire Fighting Measure	<u>sures</u>		
Dry chemical powder. BCF (where regulations permit). Carbon dioxide  Special firefighting procedures:  Alert Emergency Responders and tell them location and nature of hazard. Wear breathing apparatus plus protective gloves. Prevent, by any means available, spillage from entering drains or wat course. Use water delivered as a fine spray to control fire and cool adjacent area.  DO NOT approach containers suspected to be hot. Cool fire exposed containers suspected to be hot. Cool fire exposed containers with water spray from a protected locati If safe to do so, remove containers from path of fire. Equipment should be thoroughly decontaminated after use.  Unusual fire and explosions hazards:  Emits toxic fumes under fire conditions  6. Accidental Release Measures  Spill response  Remove all ignition sources. Clean up all spills immediately. Avoid contact with skin and eyes. Control personal contact by using protective equipment. Use dry clean up procedures and avoid generating dust. Place in a suitable, labeled container for waste disposal  Containment  Avoid all personal contact, including inhalation. Wear protective clothing when risk of exposure occurs. Use in a well-ventilated area. DO NOT enter confined spaces until atmosphere has been checked. DO NOT enter confined spaces until atmosphere has been checked. DO NOT enter confined spaces until atmosphere has been checked. DO NOT allow material to contact humans, exposed food or food utensils. Avoid contact with incompatible materials. When handling, DO NOT eat, drink or smoke. Keep containers securely sealed when not in use. Avoid physical damage to containers. Always wash hands with soap and water after handling. Use good occupational work practice. Empty containers may contain residual dust which has the potential to accumulate following settling. Such dusts may explode in the presence of an appropriate ignit source. Do NOT cut, drill, grind or weld such containers	Extinguishing media:

11. Toxicological Info	<u>ormation</u>	DV/A
RTECS Number		N/A

**Toxicity** 

No information available.

Health Hazards	Although ingestion is not thought to produce harmful
	effects, the material may still be damaging to the
	health of the individual following ingestion, especially
	where pre-existing organ (e.g. liver, kidney)
	damage is evident. In an occupational setting however,
	ingestion of insignificant quantities is not thought to be
	cause for concern.
Potential Hazards	Not available
Carcinogenicity:	No significant acute toxicological data identified
OSHA Permissible Exposure Limit(PEL) Data	N/A
ACGIH Threshold Limit Values (TLV)	N/A
